

EXTRA-CURRICULAR ACTIVITIES POLICY

	NAME	DESIGNATION	SIGNATURE	DATE
Proposed By:	Prof. Erum Imran	HOD Physiology		
Reviewed By:	Dr. Muhammad Ahmed	Director, Skills Lab		
	Prof. Dr. Masood Ahmed	Principal, FRPMC		
	Prof. Dr. Tahir Ansari	Director, DME		
	Prof. Aurangzeb	HOD Eye		
	Dr. Sama ul Haque	Associate professor, Anatomy		
Approved By:	Prof. Dr. Masood Ahmed	Principal, FRPMC		
Date of Issuance:	80-09-2022			

1. Rationale:

- a. Extracurricular activities are essential part of FRPMC. They provide students with a platform to increase their personal development and self-image.
- b. These activities must be planned to enhance students learning experience in the medical college and the wider community. Activities will be available to all the students.

2. Objective of the policy:

- a. Encourage students experience and expertise in domains not provided for within the formal curriculum.
- b. Develop student's self-image.
- c. Increase social development
- d. Provide platforms to students to represent college at different levels.
- e. Enhance student's active participation in variety of extra-curricular areas.
- f. Development of performance skills through dramatic and choral presentations.
- g. Engage in sports activities to boost confidence.

3. Broad guidelines:

- a. All students will be motivated to take active participation in some form of extra- curricular activity.
- b. A variety of extra-curricular activities will be available to all students.
- c. All activities should take place under health and safety protocols
- d. When planning activities, which involve activities outside the college hours and off site locations referral should be made to the planning trips procedures.
- e. No academic loss should take place during these activities.

4. External activities outside college:

- a. The college will not promote advertising material for external activities taking place outside college.
- b. On special request, principal may agree to promote information about such activities.
