

## CORRIGENDA

Due to an oversight on the author's side, an error occurred in the spelling of an author's name in the article “Exploring the Resistance Pattern of Salmonella Typhoidal Species” by Rehana Faryal Mehdi, Zona Irfan, Nazia Qamar, Ambreen Rehman, Nadeem Nusrat, and Ali Haider, published in Academic Researcher, Volume 1, Issue 1 (July 2024).

The author's name was originally published as “Ali Haider”, as provided in the manuscript submission. The correct spelling is “Ali Hyder”.

The corrected author list is as follows:

*Rehana F. Mehdi, Zona Irfan, Nazia Qamar, Ambreen Rehman, Nadeem Nusrat, Ali Hyder\**
